# 2026 FEI DRESSAGE EUROPEAN CHAMPIONSHIPS YOUNG RIDERS & U25

6-12 July 2026

A The Unikornis stable will once again stand at the forefront of the international dressage scene in the summer of 2026. From 18–21 June, we are proud to host the Dressage World Cup™ qualifier, offering riders the opportunity to earn valuable points toward the World Cup Final. Shortly thereafter, from 6–12 July, our venue will welcome Europe's rising stars for the FEI Young Rider and U25 Dressage European Championships.

Nestled in the tranquility of nature yet only a short distance from Budapest, our venue provides an ideal environment for both horses and riders, combining peaceful surroundings with exceptional accessibility for competitors and spectators from across Europe.

Over the years, the Unikornis stable has hosted numerous training camps and judges' seminars, as well as several Dressage World Cup™ events and multiple age-group European Championships. Our reputation is further strengthened by the many worldclass athletes who have competed here, including Morgan Barbançon Mestre, Simone Pearce, Tamar Zweistra and Hans Peter Minderhoud. A defining moment in our history came in August 2008, when—following the cancellation of all agegroup European Championships due to the pandemic—our venue successfully staged every category's continental event, demonstrating our exceptional organizational capability.

Our competitions are broadcast live, and regularly featured on both Hungarian and international equestrian news platforms, ensuring strong visibility and global reach.

With meticulously maintained arenas, highquality footing and professional event technology, the Unikornis stable guarantees the highest standards for every competition we host.
